JUNE 2010

A BETHLEHEM CAMPAIGN

Thanks to all who participated in the silent auction held prior to and at the OLB Family Picnic in May! The following donors contributed an item or service to the silent auction: AVON by Denise Coyne, Buckeye Gymnastics, Celebrity Kids Portraits, Recreational Outlet and Wendy's Gymnastics and Fitness. The silent auction raised \$550 toward the Campaign!

A **Bethlehem Campaign** has raised \$11,010 as of June 1, 2010. The Development Foundation is so grateful to all of our donors whose generosity has contributed toward OLB and the Campaign. It is not too late to donate! Please browse the NEW OLB website at www.ourladyofbethlehem.org and follow the links on the Development Foundation's page for your donation options.

STORES OFFICER POSITION AVAILABLE

The mission of Our Lady of Bethlehem School and Childcare's (OLB) Development Foundation is to financially support the educational needs of its community, to enhance the quality of education and to ensure the continuation and growth of OLB. The Development Foundation strives to maintain the fundamental principles of Clare Fey, foundress, and the Sisters of the Poor Child Jesus who dedicated their lives to giving to children in need. The Development Foundation meets its goals by raising funds to ease families' tuition burdens.

The Stores Program has raised more than \$350 towards OLB's Hardship Fund this year. The Development Foundation is seeking a Stores Officer for the 2010/2011 academic year. The Stores Officer arranges services with local and national retailers in which OLB receives a % of sale.

Please contact Anita Schroeder at 481.5596 or klsams@columbus.rr.com if you are interested in the Stores Officer position or would like to get involved with the Development Foundation. You do not have to hold an officer position to participate!

GIANT EAGLE APPLES FOR STUDENTS PROGRAM

The Giant Eagle Apples for Students Program earned OLB 496 points with which the following items were selected: character education & holiday books for the library, DVDs of PBS children's learning show, word building activities for reading readiness, gears sets manipulative for small muscle development, music learning CDs and drawing paper & art materials. Thanks to all of the OLB families and staff who participated in this great program!
