# Kindergarten Homework Routine

---

## **Monday**

Word sort  
Handwriting

## **Tuesday**

Word sort  
Math paper

## **Wednesday**

Word sort  
Poetry folder

## **Thursday**

Written sort  
Math paper

## **Friday**

No homework

Each Wednesday, your child will bring home his/her poetry folder. Please help him/her to read through the poems to work on fluency (ability to smoothly & quickly read text aloud). Also have your child point out sight words in the text. As we establish our reading groups in class, books to be read may also be sent home in a Ziploc bag. Please have your child read these books a few times to continue to increase fluency.

Your child should be reading at least 10-15 minutes each night. This can even include looking through a book that is beyond his/her independent reading level to search for known sight words. We have been doing this same activity in class.

Please help your child develop good work & study habits by helping him/her make sure homework is done correctly & neatly. Develop a routine for homework that includes a certain time to do it, a certain place in the house to do it, & putting completed homework in the folder & book bag the night before it is due in school.

Please let Miss Emily know if you have any ?s.
