We agree to be responsible for and pay tuition to Our Lady of Bethlehem School and Childcare for any programs in which our child is enrolled. School tuition will be paid in one lump sum in August or in 10 equal payments beginning in August and ending in May. Childcare tuition will be paid each week.

We understand and acknowledge that the Ohio Department of Education regulates the number of teachers and other personnel to be employed based on physical building space and the number of students. For these reasons, the openings in each program and subsequent classes are limited. Our Lady of Bethlehem School and Childcare incurs fixed costs for the operation of its programs throughout the year and therefore, must guarantee certain expenses, including employee salaries. If a class maximum is reached, an additional class or a wait list for an additional class may be established.

In the event it becomes necessary to withdraw our child before the end of the school year, school tuition through the end of the month of the withdrawal and childcare tuition through the end of the current agreement period will be paid. **Registration fees are non-refundable.**
