

**OUR LADY OF BETHLEHEM SCHOOL AND CHILDCARE
TECHNOLOGY ACCEPTABLE USE AGREEMENT**

Our Lady of Bethlehem School and Childcare follows the Diocese of Columbus Technology Acceptable Use Policy 6140.0. The full policy is available for review on our website at www.ourladyofbethlehem.org. Please review it and submit this completed agreement form to our office.

As the custodial parent or guardian of the student listed below, I have read this Technology Acceptable Use Policy Agreement and grant permission for my child to access the Diocesan Department of Education and OLB computer systems and technology resources. I understand that my child and I will be held liable for violations of this agreement. I understand that the Diocesan and OLB computer systems and technology resources are intended for educational purposes. I also understand that it is difficult for OLB to restrict access to all controversial materials, and I will not hold the Diocese or OLB responsible for materials acquired on the network.
