Don't forget....

This Monday, 9/6, OLB is closed in observance of Labor Day. Have a safe & enjoyable long weekend!

Welcome to the school year's inaugural edition of "The O L Beat," our weekly newsletter! Here, you'll find information & details about the happenings in our very special community. The Beat will also contain special sections from time to time, including staff spotlights & OLB history.

Soon, class email lists will be up & running. The vast majority of communication you receive from us will be via email. You will also receive a listing of staff email addresses for your convenience in asking questions & keeping up on your child's growth & learning.

Childcare families who turned in key tag request forms will receive their key tag(s) in family mailboxes by mid-week. Until this happens, please continue to ring the security bell to enter the building.
