## Our wish for you.....

I actually get nervous before any type of performance, no matter what, & last week's Christmas program was no exception. So, I rid myself of that nervousness by sitting & praying & actually giving God the control that He so greatly deserves & that I think I so greatly need. The result – each & every one of your beautiful children singing as a community in praise of Him. The staff & I can't think of a better Christmas gift or New Year's wish for you than that.....may you always witness the beauty of your children expressed for the greater glory of God. We thank you for your sacrifices you make to send your children to OLB. It is only through those sacrifices that we are able to personally witness the miracles in spending every day with them. Here's to a 2011 filled with those blessings & miracles,  
Miss Lori & the Staff

## Dismissal change for Miss Rachel's class

In an effort to keep our little friends warm & make dismissal as easy as possible, please note Miss Rachel & her students will now exit the door to the far left of the awning. If you are walking to pick up a student in this class, please go to that door. If you are in car line to pick up a student from that class, please pull up to that area when it is your turn in the line.
