

OLB.....

Week of June 21

Hello & welcome to week #2 of summer at OLB! Here are some details for the days ahead.....

●You may park in OLB's lot each day or in the apartment complex lot just north of our entrance. If you will be staying with us for any period of time, please use the OLB lot so that apartment residents have access to as much parking as possible.

●If this is your child's first week with us, please check in with a staff member. We will help you sort through supplies & other items you have been asked to bring. We will also show you your child's classroom & refrigerator for lunch storage.

●Please check your family mailbox in the office at drop-off & pick-up each day. You will receive all communication from us via email or this mailbox. Key tags for anyone who needed them have now been placed in your mailbox. They work at the west entrance door each Monday through Friday from 7:30 am – 6 pm (with the exception of M 7/5 when we are closed).

●There is a payment box in our sign in/out area for weekly tuition payments. If you have asked to pay by credit/debit card, your card will be charged 1x each month.
