Reminder:

OLB is closed F 10/29 for staff in-service. To be the best we can be for your children, we are lifelong learners too!

IMPORTANT DATE CHANGE:

"An Evening in Bethlehem," our Nativity program, will now be held T 12/14 at 7 pm at St. Timothy Church.

This event was originally scheduled for 12/9, but there was a facility conflict.

The Nativity program involves all of the students. You will receive more information as the event draws near.

Does your family have a safety plan? Although we always pray for the best, we should do some simple things to prepare our family & home for emergencies & crises.

Check out this Red Cross website for some helpful tips: http://columbus.redcross.org/services_disaster_preparedness_family.asp

Even though our students are quite young, they are very capable of learning simple steps & rules to follow to stay safe. The only other thing they need to know – someone who loves them will look out for them & protect them!
